

Our Vision, Philosophy & Mission

Our Vision

All students will be successful learners and possess the skills necessary to function in the 21st century.

Our Philosophy

All schools and staff in Waller ISD are committed to positive, supportive interactions with students to ensure that all are successful learners.

Our Mission

The Waller Independent School District believes that ALL students will be successful learners and graduate with skills that will allow them to compete in the 21st century workplace. It is therefore the intent of the Waller Independent School District to serve all students regardless of their ability, environment, or national origin. Students will be provided opportunities to develop intellectually, physically, and socially through a quality system of teaching and learning. Through these opportunities, students will become responsible and productive members of a constantly changing society and world.

The Results

Upon graduation, our students will:

- Demonstrate general academic knowledge and skills that will allow them to be employable such as reading, writing, mathematical computation, speaking, listening, data manipulation, information processing and retrieval;
- Exhibit self confidence, self-esteem and flexibility as a learner and as a person;
- Demonstrate problem-solving, decision-making, and group process skills (teamwork);
- Demonstrate effective communication skills;
- Utilize and adapt to technological advances;
- Demonstrate social, civic, economic, and environmental responsibility by showing ethical behavior in personal life and in the workplace;
- Demonstrate the ability to identify, set, and pursue short and long goals and maintain a balanced (music, art, drama), safe, and healthy lifestyle;
- Be a self-directed, life-long learner;
- Demonstrate second language skills.
